

SCT Performance Summer Rebate Program

August 24, 2026 - September 11, 2026

Give Customers Another Reason to Upgrade

The SCT Performance End of Summer Rebate Program provides customers with valuable savings on select SCT tuning products.

This limited-time promotion is designed to help dealers drive sales while giving customers additional value on some of SCT’s most popular performance programmers.

Eligible Products & Rebates

- Rebate Submission Deadline: September 30, 2026

Help Drive End of Summer Sales

Rebates create a strong purchasing incentive for customers already considering a tuning solution. Make sure your sales team highlights available rebate amounts and eligible products throughout the promotion period.
